SANTA CLARITA
PERFORMING ARTS CENTER
AT COLLEGE OF THE CANYONS

2015•16 SEASON

Tao: Seventeen Samurai 3.13.16
Dear Friends,

I’m proud to introduce our 2015-16 performing arts season, which reflects a diverse range of performances suitable for audiences of all ages. The new season continues our tradition of providing great shows close to home.

The Santa Clarita Performing Arts Center at College of the Canyons has been serving the community since Oct. 15, 2004, when a sold-out production of our Theatre, Music and Dance Departments’ “Big River” christened our stage.

Since then, the Performing Arts Center has established itself as the Santa Clarita Valley’s premier venue for the performing arts. Some half a million people have attended more than 130 professional touring shows here. More than 4,200 College of the Canyons students have cultivated their acting, dancing and singing skills on our stage. Thousands more have performed here as members of community-based arts organizations. And, some 70,000 students from every local school district have experienced the arts as part of our K-12 Arts Education Outreach Program.

That’s pretty impressive! But the best is yet to come. The Performing Arts Center is fulfilling a dream that began with Chancellor Dr. Dianne G. Van Hook, who envisioned a first-class venue where professional acts, community groups and college students could perform. That dream continues for all who have entered this building.

Thank you for your patronage – and enjoy the show!
